

Legislation Update

Aims

This one day programme is designed for those who completed their NEBOSH qualification previously, and require an update to current legislation, or for those with a responsibility for health & safety who need to ensure they are aware of current legal requirements.

Objectives

At the end of the course each delegate should be able to:

- Understand current legislation with regards to the subject matter.
- Be aware of their responsibilities for ensuring these requirements are met.
- Identify hazards, risks and suitable control measures.
- Appreciate corporate requirements for compliance with UK and European legislation.

Programme summary

This section will be bespoke to include current legislation, best practices and guidance.

Example content;

- Construction, Design and Management (CDM) Regulations
- Corporate Manslaughter Act
- Sentencing Guidelines 2016
- REACH awareness including CLP Regulations and the effect on CHiP
- HSG65 and Management of Health and Safety at Work Regulations update
- Control of Asbestos Regulations
- Current statistics from the HSE
- Vicarious Liability and the Contractor
- Behavioural Based Safety initiatives

All delegates will receive a certificate of attendance

Client specific process and procedures can be used throughout this session.
